#### **20 winners, 4 Real Madrid players and one life-time-experience.**

**16 February 2012** - 20 fans from 6 different countries had the opportunity to enjoy a once-in-a-lifetime experience: to be a Real Madrid player for a day. Pepe, Granero, Marcelo and Adán participated in this training session at Real Madrid's training facilities in Valdebebas.

The 20 participants who arrived to Valdebebas in the first team bus trained hard during the 2-hour session, which, overseen by two club trainers, consisted of a series of four exercises to improve ball control and ball handling, passes, free-kicks and dynamic and static skills, as well as shots on goal.

Granero commented: "It's always fun to meet people who enjoy playing football as much as we do. The opportunity to spend time with them and share their excitement is important to us."

Portuguese player Nelson Pereira put in the best performance thanks to his effort, motivation and teamwork skills: "I am very happy. This is a one-of-a-kind opportunity. It was very special for me to be so close to Pepe, a player on the Portuguese national team, and Marcelo, who is really funny. The four players were really motivated."
